*This notice is given pursuant to the requirements of state law governing the Soil Erosion and Sedimentation Control statute, Section 9112 (5) of Part 91, Natural Resources and Environmental Protection Act, Act 451 of Public Acts of 1994.*

The parcel of land you are purchasing is subject to the above referenced permit issues by the Soil Erosion Control Division of the Office of the Macomb County Public Works Commissioner. A copy of the permit and approved plans are enclosed.

When property is transferred to you, the permit will be transferred to your name and you will be responsible for complying with all permit obligations and conditions. You will also be responsible for any violations of the permit that exist on the date the property is transferred. A new permit and plan may be required if the earth change activity or terms of the original permit are modified.

You are requesting to acknowledge receipt of this notice and concurrence with its terms by signing below and mailing the notice back to the Macomb County Public Works Office at 21777 Dunham Road, Clinton Township, MI 48036.
